Merry Christmas, Happy Hanukkah

We hope this finds you in good health and enjoying the holiday season. We had a wonderful year with a beautiful wedding at Ethereal Gardens, north of Escondido, for Juliette and Jake on Sept 17th.

Graham, Claire and Belle welcomed our new grandson, Coby Bear Birch on Aug 21st. We are delighted and Jana is already enjoying babysitting at their home, nearby in Oceanside, once a week.

The Sandy Point clubhouse was a perfect place for Juliette's Bridal Shower, and for Claire's Baby Shower shown in the photo.

We've had several family gatherings on our new deck to watch the sunset and enjoy s'mores on chilly evenings. Antony and Dianna, Colin and Rene and their families are all doing well, and Jamee continues to get excellent care in La Jolla.

We are so very lucky to have a lovely home and a wonderful family. With love and very best wishes for 2023. **Jana and Michael Birch and Family**
